

DRURY BLENDED COFFEES

*A comprehensive range of coffee blends, in a variety of roasts that compliment the individual coffee.
A selection of these coffees are available in portion packs for filter or bulk brew equipment.
All are available in cases of 15x500gram packs, ground and packed to order*

AFTER DINNER BLEND

dark roast

A dark roasted, full-bodied blend, perfectly suited to after dinner drinking, but with enough smooth notes to make it delicious at any time of day. Suitable for all brewing methods.

BERKELEY BLEND

mixed roast

Strength and depth of flavour from this blend of quality Central American Arabicas. Complex and positive, it is well suited to both filter and cafetiere brewing.

BRAZILIAN BLEND

light roast

Choice Brazilian Santos Arabica coffee, blended with a selection of other choice coffees, with a smoothly balanced sweetness.

BREAKFAST BLEND

light roast

Bright and fresh tasting, this blend makes equally good drinking after dinner as well as at breakfast.

CAFÈ DE BLEND

high roast

Richly roasted, highly reminiscent of French coffee, this blend is a delightful as an after dinner coffee and is especially suited to cafetiere use.

CONNOISSEUR'S BLEND

light roast

Smooth and mild, with aromatically spicy hints from the inclusion of Ethiopian Mocha Djimmah in the blending.

CUIDADO FILTRO ~ 100% RAINFOREST ALLIANCE CERTIFIED™

medium roast

Smooth and richly flavoured, its bright acidity well-balanced with a creamy softness that works equally well in filter machine or cafetière. Its natural sweetness lends itself to all day drinking, but it is equally good as the perfect after dinner coffee.

KENYA BLEND

light roast

Mild tasting, with an edge that typifies the usual Kenyan acidity, this blend is best appreciated with milk and is suitable for all day drinking.

CONTINENTAL BLEND

high roast

A strong and powerful highly roasted blend, with a definite bittersweet taste and bite.

EXECUTIVE BLEND

mixed roast

A mixture of our Moka D'Or and High Mountain blends, the intensity of the dark roast is perfectly balanced with the bright notes of the light. Excellent at any time of day and particularly good as a filter coffee.

HIGH MOUNTAIN BLEND

light roast

A bright and lively blending of South and Central Arabicas, with light acidity and a subtle smoothness.

MAYFAIR BLEND

mixed roast

A subtle blend of strength and mellowness. An incredibly smooth and fine flavoured coffee, particularly good brewed by filter or cafetiere.

MOKA D'OR BLEND

dark roast

This dark roast pure Arabica blend is perhaps our most versatile coffee. Excellent for all brewing forms, it excels in espresso and filter, where its rich, deep flavours shine.

MORNING CHOICE BLEND

dark roast

Strong and full-bodied with a subtle tartness. Especially suited for bulk brewing where strength is required.
